Commissioned Work, Puppetry Costumes and Masks

Giant Clown. Built for The Flaming Idiots, juggling troupe. Black light fabrics. Body parts arrange on 3 performers who juggle bean bag chairs between them.

Roman Centurion. 15' giant rod puppets built for UniverSoul Circus.

“Bottom” from *Midsummer Night’s Dream*. Built for New England Shakespeare Ensemble. Ears animated with pull cord. Client wanted less cumbersome design than classic asses head. Hence, a merging with actors own mouth and jaw line.
